SUSTAINING MEMBERS OF THE KUNA CHAMBER:
Thank you for your continued support in being a

KunaCity.ID.gov

Welcome to the City of Kuna!

I'm proud to say that Kuna is my town. We have the best citizens that are involved and active. It's a friendly community where people are willing to get involved and help. If something needs to get taken care of, it happens.

The time is right to bring your business to Kuna. The citizens are here, the growth pattern is right, and we want to make you successful. Kuna is a dynamic, friendly and progressive city. We value our roots in agriculture, our history of being a rail community, and we look forward to being an employer hub in the future.

We don't just talk about quality of life, we brag about our quality of place. We have worked hard to enhance our downtown, establish a beautiful greenbelt pathway along Indian Creek, improve bike trails, grow our parks

system, and also take advantage of the natural amenities that surround Kuna.

Whether you are considering a move to Kuna, or to bring your business, we look forward to welcoming you to our community!

- Mayor Joe Stear
